Based in Colorado Springs, Colorado, Miracle Method is the largest bath and kitchen refinishing company in the country. With over 140 U.S. and Canadian franchises, Miracle Method specializes in repairing and restoring all types of tubs, ceramic tile, and countertops. Each of its franchisees lives in the market they serve. They're local. They may be your neighbors or friends you see at church or your children's school. They are independent small business owners who work hard to build a good reputation and good business by delivering quality work and superior service. Each Miracle Method franchise is independently owned and operated.
