R. Baker & Son is a Service-Disabled Veteran-Owned Industrial Demolition and Rigging Contractor based in Red Bank, New Jersey, specializing in building demolition, dismantling and rigging contractor services. The company has been in business since 1935; it serves customers in the United States, Puerto Rico, Canada and Europe. The requirements and complexity of the rigging, dismantling and demolition industry along with its understanding of the need to be flexible and resourceful in their approach to projects, are the areas where R. Baker & Son excels.
