In Des Plaines, Illinois, Anderson Lock Company is a trusted security door hardware source and a reliable expert technical advice resource. The company pioneered the full-service total-opening door security service concept. Backed by a well-stocked warehouse, Anderson Lock is filled with commercial-grade hardware; it is a trusted source for security door hardware and a reliable resource for expert technical advice. Anderson Lock was built by establishing relationships with customers at nearby O'Hare Airport and hospitals and school districts requiring heavy-duty, reliable products and services. Anderson Lock is a trusted source for security door hardware and a reliable resource for expert technical advice. Anderson Lock received national certification as a Women's Business Enterprise from the Women's Business Development Center, Chicago, a regional certifying partner of the Women's Business Enterprise National Council (WBENC). In its third generation, Anderson Lock has been transformed from a hardware store to a locksmith service company to a total door opening supplier emphasizing doors, frames, and electronic access controls.
