

Decorative Concrete Supply

8329 Monticello Road
Shawnee, Kansas 66227
United States

Phone: (877) 924-4443

Decorative Concrete Supply, located in Shawnee, Kansas, is a supplier of decorative concrete products and colors for concrete, including stamping tools, and stamp patterns. From concrete overlays on structurally sound concrete, this supplier offers a variety of options including stamped overlay, trowel down applications, spray down applications, and broom finishes. These are just some of the application methods. Decorative Concrete Supply offers training seminars on many aspects of concrete stamped, acid-stains, overlays, concrete-countertops and hot and cold weather placement and curing and sealing. Stamp patterns available for rent in the Kansas City area.
