Sausalito, California 94965
United States

Phone: (415) 287-6034
Fax: (415) 962-4046

A locally owned San Francisco as-built company, Fog City As-builts specializes in the provision of cad-measured drawings of existing conditions. Fog City's as-built plans are based on the typical needs that most clients have at the beginning of a remodel project. From a small bungalow in Pacifica to a high rise in Manhattan, they deliver their clients with precise, affordable and rapid as-built documentation.
