Old World Distributors, Inc. is a manufacturer of distinctive roofing details located in Kalamazoo, Michigan. The company offers a broad range of standard products manufactured to the highest standards of excellence possible. Established in 1996, Old World began as a specialty company, installing slate and tile roofs throughout Michigan. Today, our roofing accessories grace some of the most distinctive private homes and commercial buildings nationwide. The company has built a reputation for unmatched craftsmanship, customer service, and industry knowledge. To see some of the projects that Old World has completed, please visit its Portfolio page. Old World Distributors also provides virtually unlimited custom capabilities. If you can design it, Old World can produce it and ship its products almost anywhere in the United States and Internationally.
