Modular Building Systems International, LLC. (MBSI), headquartered in Winter Garden, Florida, is a supplier and certified contractor for custom commercial modular buildings. MBSI markets include the United States, Central America, South America and the Caribbean. MBSI provides full export services of modular and panelized buildings to these international markets. Founded in 2000 as a family-owned Central Florida construction company, founder Patricia Berk took sole control of Modular Building Systems International in 2014. Then, MBSI became certified as a Woman-Owned Business Enterprise (WBE), a Disadvantaged Business Enterprise (DBE), and a Local Disadvantaged Business (LDB). As a licensed building contractor in Florida and Louisiana with over 25 years of experience in the modular building industry, Patricia has the knowledge to deliver and the vision to conceptualize your ideas.
