The Setterlin Building Company is a family-owned commercial construction firm based in Columbus, Ohio, providing construction services throughout central and southern Ohio since 1935. The company has received many awards for its safety program from national organizations such as the Associated General Contractors of America, the Builders Exchange, and Stephen B. Ogle Associates. Setterlin's team has experience with all the principal delivery methods currently used in public and private construction: Construction Management at Risk, Design/Build, and General Contracting. The company is committed to serving, supporting, and finding solutions for its client's procurement goals by ensuring equal opportunity and fair treatment in construction contracting.
