Phone: (877) 909-9663

Viridian Reclaimed Wood is a provider of eco-friendly, reclaimed wood and salvaged hardwood products based in Portland, Oregon. The company provides eco-friendly, reclaimed wood, salvaged hardwood products, including wood flooring, veneers, panelings, table, and counters. Viridian's award-winning process gives it access to a bottomless and dependable inventory. Its specialty is supplying large projects with consistent reclaimed wood, and most of its products are manufactured in Portland by local craftsmen. All products are eligible for many LEED credits, and they have LEED APs on staff for technical assistance.
