New York, New York 10014
United States

Phone: (888) 680-6070

Quality 1st Basement Systems services all things basement - waterproofing, foundation repairs, finishing, and crawl spaces. Along with basement waterproofing and crawl space encapsulation, they also offer TripleSafe sump pump installation, SaniDry basement/crawl space dehumidifiers and foundation repair with The Reinforcer. The company services the New York City boroughs of Bronx, Queens, Brooklyn, Staten Island, and Manhattan for basement waterproofing, foundation repair and crawl space moisture control. Quality 1st Basement Systems also provides waterproofing and repair services in New Jersey. As an authorized dealer for the patented Basement Systems® products and technologies, the Quality 1st Basement Systems team knows how to make basements safer, dryer and more comfortable.
