3955 Whitebrook Dr
Memphis, Tennessee 38118
United States

Phone: (877) 619-4491

Redeemers Group, Inc. is a home improvement and repair contractor offering basement waterproofing, crawl space repairs, foundation repairs, and mold abatement, serving Tennessee, Mississippi, and Arkansas since 2008. The company focuses on providing complete and permanent solutions at an affordable price. High temperatures, high humidity, and high water tables encourage mold growth, structural decay, and poor indoor environmental quality in residential and commercial structures. To combat these problems, Redeemers Group offers patented crawl space repair, basement water mitigation, and structural repair products, making it the leading expert contractor in crawlspace moisture control issues. Redeemers Group serving Tri-State Area, Jackson, Little Rock, and Memphis, is dedicated to informing homeowners of the benefits of crawlspace repair, mold prevention, and disaster recovery. Its goal is to provide a healthy, safe home environment and to expand living and storage space.
