Winn Construction, Inc. is a family-operated concrete construction business offering residential, commercial, and municipal concrete work, concrete pumping, and trucking services, serving clients in Dickinson and the surrounding areas. In operation since 1981, the company's products and services are described on its website, which includes its location, contacts, hours of operation, and employment opportunities. Its memberships and association are also defined. From new construction to maintenance and repairs, Winn Construction provides comprehensive concrete services. The company has a dedicated safety officer to ensure every team member follows safe practices and protocols.
