Empire Surplus Home Center is a discount retailer of home improvement products in Reading, Pennsylvania. The company manufactures its line of products and brings hundreds of containers per year to offer all its customers the best products, selection, and value. Empire has tons of inventory made right here in the USA! With its 30,000 sq ft showroom, 50,000 sq ft warehouse, and showroom in West Reading, Empire can offer its customers the largest In-Stock Selection of our products. In business since 1955, the company carries a wide selection of name-brand products, including windows, doors, flooring materials, area rugs, decking, furniture, whirlpools, spas, and kitchen and bath products, available by piece, pallet, or truckload. Empire Surplus has over 50 years of experience in the building and remodeling industry and provides incredible savings on any item needed to update your home. The company's website highlights current sales, shipping and return policies, and an online shopping area.
