Akdy Imports, LLC is an online marketplace specializing in European-styled kitchen range hoods. The company is located in Rancho Cucamonga, CA, and is part of the Home Furnishings Stores Industry. Its products include designer bathtubs and fillers, sinks and faucets, shower panels, fireplaces, and range hoods. Major retailers carrying AKDY products include Walmart, Sears, Amazon.com, and others detailed on the company's website, along with support information, a blog, press information, and a contact form. AKDY products are only shipped to addresses within the contiguous U.S., excluding Alaska, Hawaii, and Puerto Rico.
